Your First Visit

Your initial appointment will consist of a complete examination, x-rays (if needed) and consultation explaining your diagnosis and treatment options. Occasionally, a cleaning can be done the same day as the initial exam.

Please assist us by providing the following information at the time of your consultation:

- ▶ A medical history. Please alert the office if you have a medical condition that may be of concern prior to your first appointment.
- ▶ A List of medications and supplements you are currently taking.
- ▶ If you have x-rays that were taken within the last year at a different office, please bring duplicates to your appointment.
- ▶ If you have dental insurance, bring the necessary completed forms and insurance cards. This will help us process your claims more efficiently.
